# Catalina Bus Tour

Sunday, June 6, 2010

8:00am to 9pm

Have you ever wanted to shoot for the fun of it? Are you intimidated on location and forget "what to do"? Do you want to "go shoot" but don't know where to go or who to go with? Join us for our bus tour where fun and photography go hand in hand! Not a class, but an opportunity to photograph nature, travel and architecture with the guidance of Paul's instructors and the camaraderie of the group. The Paul's Photo Bus Tours offer you the fun of our weekend Adventures in one day. Catalina Island in the late spring is an amazing location!

**Santa Catalina Island**, just 26 miles across the sea, offers unique photo opportunities for all levels and interests. Travel photographers will enjoy the Mediterranean atmosphere and quaint beauty of city life and people in Avalon. Architectural photographers will love the art deco styling and ability to photograph in and around the historic Casino. Landscape and nature photographers will be thrilled with the opportunities shooting the American Bison in the rugged Catalina backcountry, the Wrigley Ranch and Little Harbor.

The Catalina Bus Tour will be a full day of great photo locations and amazing scenery. You will make great pictures and have fun.
