Understanding Your Camera

Creative Photography Workshop

with Glynn & Shelton

Monday, September 27th 10am to 5pm

Those two crazy Aussie's are back!

Glynn Lavender and Shelton Muller's Creative Photo Workshops are Australia's best loved photo classes and workshops. Glynn & Shelton bring professional photographic skill, easy to follow instructions, irreverent humour and a "crikey accent" to their workshops.

If you are new to photography and need help making great pictures **Understanding Your Camera** is for you! Are you ready to learn your digital interchangeable-lens camera in one day? **Understanding Your Camera** is for you! You bought a digital SLR camera, read the manual and "just don't understand it?" **Understanding Your Camera** is for you!

What will **Understanding Your Camera** do for you? You will learn to get the pictures of your dreams! You'll simply relieve the frustrations of "idiot proof" auto modes? You will easily understand your camera's settings and take control of your photography. It's all very simple when you know-how and when you see how fun it is to create incredible image.

Understanding your Camera is an exciting one-day 'how to' workshop that will show you step-by-step how to get the most from your camera. Our fun "learn by doing" format will reveal how apertures and shutter speeds work, how your camera sees the light and how the light meter & exposure works. You will learn to control the setting, modes and dials of your camera to produce the fantastic pictures you have always wanted to create.

Join us for an amazing day of learning photography and capturing amazing images and see how the folks from Down Under tackle tough situations and produce great photos. It's certainly worth taking a "day off" to get the best pictures of your life!
