

Saturday Digital Classes

11/18/09

Add creativity, excitement and energy to your Saturday mornings with our fun photography classes. Each lesson offers more than meets the eye... an opportunity to learn, have fun and make a real difference in your photography. The unique "demonstration style" presentation offers more interaction and features a real "how-to" approach.

Digital Pocket Camera 101 Saturday 9-11am Jan 16, Mar 6, May 1 \$30

What is possible with my compact digital camera? Learn to get the most from your camera with the right techniques and the right settings. Includes simple explanations of menus, mega-pixels, optical zoom and scene modes.

Digital SLR 101 Saturday 9-11am Feb 6, Apr 10, June 12 \$30

WOW! The digital SLR offers so much. Learn to set up and shoot your camera with ease and capture the pictures you desire. Includes explanations of lenses, flashes, white balance, histogram and camera modes.

Portrait Photography 101 Saturday 9-11 am February 20 \$30

Learn to use the light, create the light, pose your subject and produce "pro quality" portraits at home. Features an "all demonstration" format where you will see portraits created right before your eyes. Take the tips and techniques home with you to succeed with your digital camera.

Sports Photography 101 Saturday 9-11 am April 17 \$30

Your kid's the "star" player and you want *Sports Illustrated* quality pictures! Learn the tips, equipment recommendations and techniques required to produce the stunning action photos you desire with your digital camera. Includes "how to shoot" ideas for your favorite sports!

Keep it Clean. Saturday 9-11 am May 8 \$30

How do you clean your equipment when you get back from shooting? How do you get rid of "digital dust" on your sensor? Clean your camera bag, tripod, camera, lenses and filters with precision. Learn the equipment required and how to keep your equipment clean and performing well.

Fantastic Foto Books. Saturday 9-11 am August 21 \$30

How is the best way to present your photos? A photo book is a great option! Learn to make your own from start to finish... whether you print it at home or on-line, built it yourself or have it commercially bound. Learn Mark's secret layout tips, editing instructions and producing your own covers.

City Lights Photography Saturday 9-11 am December 4 \$30

The Christmas lights are up. How do I get those amazing photos? City lights at night are amazing fun and quite simple... if you know the secrets: What white balance? What ISO? What lens? What f-stop and shutter speed? Ohh what fun if you know the how's and why's of shooting lights at night!
